

## Leadership entry into Churchteams

- Go to: [go.churchteams.com](http://go.churchteams.com) and click login (upper right)

- Enter Crestview Baptist Church  
(The above steps will only be done first time you login)

- Add a bookmark on your phone or pc and follow screen directions
- Click on box that reads: Check-in/ Leader Login Password =**CBCtx**  
(case sensitive)

A screenshot of the Crestview Baptist Church login page. The page title is "Crestview Baptist Church". There are two input fields: "Email:" with the value "jessecasto@cbctx.org" and "Password:" with a masked password "\*\*\*\*\*". Below the password field is a blue "Login" button. Underneath the "Login" button is a link "Forgot your password?". At the bottom of the form is a button labeled "Check-in / Leader Login". A large white arrow points to this button from the right. Below the form, there is a footer with the text "Add a Bookmark/Favorite for this page or save it to your phone's homescreen" and "For help or questions please contact Jesse Casto at [jessecasto@cbctx.org](mailto:jessecasto@cbctx.org)".

Any phone or internet connected device works

This link is a very brief video on using our Churchteams database as a group leader:
